

# THE LEGAL EDUCATION RESEARCH NETWORK'S

## ANNUAL SHOWCASING EVENT

On **29<sup>th</sup> November 2017** the Showcasing Event will be held at the Institute of Advanced Legal Studies, London. It will showcase six research projects funded by LERN on a wide and exciting range of topics. This is an invaluable opportunity to not only learn about the research findings but to hear from the researchers about their experiences of doing the work itself. For researchers planning or developing a project, this is an opportunity not to be missed!

We are delighted that Professor Dame Hazel Genn, UCL, is our Keynote Speaker. She is an exceptional researcher, writer and contributor to policy development.

The cost of the event is £25 (£15 for research students).

The tickets can be found at: [bit.ly/LERNshowcase](http://bit.ly/LERNshowcase)
